It's me, Gulfstream. I know I've been gone for a while. I just wanted to pop in and say hi. How are you all doing? What do you all do here now? Is GGaD still around? Who left? Who stayed?

For those who don't know me, hello! I'm Gulfstream, empress of positivity. I used to be active here but kinda faded a couple of months ago. I love plants and the color green. I mostly posted on GGaD, a couple of other FWRPs and my homethread.

Hey! I've definitely heard of you. Yes, GGaD is still around. There's many new deities xD. Um...I can't keep track of who left and who stayed, but obviously, I haven't left.

Nice to officially meet you.

Gulfstream! Hi, welcome back!

Hhhhhhhh I'm so happy yo see you! :D

Yep, GGaD is still going strong, and there's also a new FWRP that's been going on since September or October, called Color Coding. It's basically about a school where you take a test, and the result determines which color sash you get. Then the sash color tells you what jobs you can have and stuff, so people rebel against it.

Uhh I think we do basically the same things as before, except that maybe there's a few less RPs (and more FWRPs) than there used to be?

I'm kind of inactive right now so I'm not really sure what's been going on, but I think someone else should be able to answer your questions. :)

Hey, it's nice seeing you! GGaD is still around, although ML poofed and such. A few peeps left but returned.

If you don't know me, do not fear. I was a stalker since this place opened, but I'm an actual Forumer now.

Welcome back Gulfstream!

We're doing OK. Phil is a pain sometimes but other than that things have been good. No flame wars or anything. GGaD is still active, and I can't really say who has or hasnt left, since some people have come back since.
